Corporate Synergies and Visiting Homemakers Relationship: **What This Means to You as a Social Service**

Join us for a live webinar featuring Visiting Homemakers Director of Human Resources, Ms. Denise M. LaPene, on **April 8, 2008, from 2:00–3:00pm (EST).**

WHY YOU NEED TO ATTEND...

Learn how your social service can focus on higher value-add activities while Corporate Synergies provides best-in-class solutions to manage your employees benefits which fuels your success. See how Visiting Homemakers integrated Corporate Synergies solutions to:

- Ensures security, privacy and confidentiality with regards to compliance mandates
- Helps ensure higher employee satisfaction
- Eliminates employee productivity disruptions and frees employees to focus on their business operations

Denise M. LaPene will discuss how the success of social services is directly linked to efficient operations. By capitalizing on the abilities of an outsourced team of benefits and compliance professionals, such as Corporate Synergies, she has managed to contain costs while automating workflows and increasing productivity...per employee.

AGENDA

- Overview of the relationship
- Issues faced prior to implementation
- Ease of onboarding
- What "pain" has been removed
- Overall cost savings – hard and soft
- Corporate Synergies
- Expertise in the social services area
- Questions & Answers

Visiting Homemaker Service
Trusted. Caring. Experienced.

"With over 400 employees, ...we needed a broker that could truly go above the call of duty to provide a depth of service that fits our needs. After being with the same prior broker for over eighteen years we switched to Corporate Synergies..."
